

# WE ARE MICHIGAN JEWS WHO SUPPORT SENATORS BARACK OBAMA & JOE BIDEN

## Here are reasons you should too:

**Israel's security:** "Let me be clear. Israel's security is sacrosanct. It is non-negotiable." – Barack Obama, speech to AIPAC, June 4, 2008.

**Iran's threat:** "There is no greater threat to Israel – or to the peace and stability of the region – than Iran... and my goal will be to eliminate this threat." – Barack Obama, speech to AIPAC, June 4, 2008.

**Ending the Iraq war:** Senator Obama opposed the war in Iraq that is costing Michigan taxpayers more than \$17.4 billion. He wants Iraq to use its estimated \$79 billion surplus to fund its own reconstruction.

**Economy:** "Instead of giving \$4 billion in tax breaks to oil companies that are making record profits – as Sen. John McCain is proposing – let's give tax credits to American auto plants and manufacturers so they can retool their factories and build the cars of the future." – Barack Obama, Detroit Free Press, August 20, 2008.

**Supreme Court nominations:** "With one more vacancy on the Supreme Court, we could be looking at a majority hostile to a woman's fundamental right to choose...The next president may be asked to nominate that Supreme Court justice. That is what is at stake in this election" – Barack Obama on the 35th anniversary of the Roe v. Wade Decision.

**Energy independence:** "For the sake of our economy, our security and the future of our planet, we must end the age of oil in our time." – Barack Obama, Lansing, MI., August 4, 2008.

**Health care for all Americans:** "It is time to finally challenge the special interests and provide universal health care." – Barack Obama, Bristol, VA., June 6, 2008.

**Protecting aging Americans:** "We...have an obligation to protect Social Security and ensure that it's a safety net the American people can count on today, tomorrow and forever." – www.BarackObama.com.
